

Wastewater Plant Operator – Operator in Training or Level 1 2nd Year Co-op Position

Location: Jasper, AB (Columbia Icefield) Jasper National Park

Posting #: 17-002.1

Application Deadline: March 21st, 2017. Applications will be accepted immediately.

AquaDiversities Inc. is a dynamic company offering advanced water and wastewater equipment and operations. AquaDiversities Inc. is seeking an individual with excellent technical and mechanical skills for the operation of the water and wastewater facilities at the Columbia Icefield Resort. This area offers the best out-door recreational opportunities in Canada. Job responsibilities include the safe operation of plant equipment, setting and monitoring chemical feed rates, operating the collection and distribution, monitoring the process computer, performing established water quality tests and reporting to operations management. You will also update and maintain documentation, logs, etc. pertaining to tests and processes, correct minor operating problems and perform other related duties as required and/or assigned.

Qualified candidates will be Grade 12 graduates who are attending or have completed the Water Quality Technology program or other recognized Operator training program. The successful candidate will be required to have their Level 1 Water and Wastewater Treatment Certificates, or be able to obtain certification within a 6 month period. A valid Class 5 Motor Vehicle Operator's License is required. Candidates must demonstrate strong initiative, communication skills, analytical and troubleshooting skills and be able to work in a team environment, as well as work independently. Demonstrated skills in Microsoft Office products, including Excel, Word and Outlook are required. You must be able to meet the physical requirements of the position. Mechanical aptitude is a key skill for this position.

Significant training in advanced water and wastewater treatment technology will be provided to the incumbent. Out of town work may be required occasionally, including project support in AB and B.C.

Hours of Work: Average 40 hours per week.

Term of employment contract: May to September (Possibility for re-occurring contracts and or extensions.)

Wage: \$17.23 - \$21.14 per hour. Based on Experience. ROOM AND BOARD IS INCLUDED at the Columbia Icefield.

Applications will be accepted immediately. **Generic applications will not be considered.**

AquaDiversities Inc. is an Equal Opportunity Employer. Positions are filled by means of open competition where the selection is based on job-related skills, training, experience, and personal suitability.

Please submit any questions and your detailed application and resume by email to:

jobs@aquadiversities.com

Only those candidates selected for an interview will be contacted.
